Road Safety

As a school we have serious concerns about the continued misuse of the road leading in to school and of parking on the double yellow lines around the car park. Parents are also using the footpaths as parking spaces. Our one and only aim is to maintain the safety of your children. We have now had to involve the PCSO's in monitoring this situation, who are also concerned about parents and children not wearing seatbelts, and where necessary, children not using booster seats. Please assist us in keeping the area safe for all pedestrians.

Attendance award

Last week's winners were Year 3. Well done!

A note from Mrs Hyams.

Wow! What a busy half term! It is hard to believe that six weeks have passed since the new year! As well as the great day-to-day learning that has been going on we have had, amongst other things, a class assembly, some good progress on the extension for Nursery, sports events, White Rose study, a cheerleading coach, and...SNOW! What a lot of snow we had. Your children were wonderful in dealing with the situation and I now think that everyone is due a well earned break and a chance to re-energise themselves in readiness for the next half term.

We have lots of exciting events planned for the next half term with some classes going on visits, class assemblies then finishing with an Easter service at St. Mary's Church which will be led by Year 4. Well done to Year 2 following their trip to Skelton Grange—the staff there thought they were wonderful. We have inquisitive, knowledgeable well behaved children. What a positive note to end the term on. Have a great break and see you all on the 22nd February.
